Serving the community of Licking County through Christ-centered love, education, and encouragement.

We welcomed Patrick Riley back into the building for a visit on March 17th!!! After his accident last August, we have been fervently praying for his health and his recovery and many tears of joy were shed that day. He has made so much progress and so many people have gathered around him and Billie in prayer and support. His story is nothing short of miraculous. We missed you. We love you so much! God is doing great things!

We also celebrated January, February and March Birthdays for our dedicated staff and volunteers.

We appreciate you all!

Thank you R & M Bakery for the delicious cake!!

**HAZEL NEWHOUSE**

### **Opportunity Store Coordinator**

Hazel is our Opportunity Store Coordinator! She has been volunteering at the Look Up Center over the past 14 years. She started in the dental clinic, and when a need arose in the Opportunity Store, she moved over there to help fill the need. She has been there ever since! Hazel is a cornerstone for the Look Up Center. Her heart for the Lord and for serving others is unmatched. She came here "to do God's work", as she will always say, and she has been doing that since day one. She loves overseeing the Store and does a fantastic job keeping things organized and flowing smoothly. She oversees an average of 30 women per week who also volunteer their time in the Store. Thank you for all you do, Hazel!

**KIRSTEN SANTOS**

### **Administrative Assistant & Marketing and Communications Coordinator**

Hey everyone! My name is Kirsten Santos and for the last year, I have been doing the marketing and social media here at Look Up Center. Lori Hubble hired me in March of 2024 on a limited part-time basis, and I have fallen in love with the Look Up Center and have been amazed at everything we do here to help the residents and communities of Licking County. I am six courses away from completing my Bachelor of Arts degree in Business Administration, and I was just hired on full-time at the end of March to add more administrative tasks to my role. I am beyond excited for what God has for me here at Look Up Center and I am honored to be a part of all we are doing to further the Kingdom of God!
