## How Can You Help?

We would love for you to prayerfully consider supporting us with a donation! We are solely funded by individuals, churches, and civic organizations and that continued support is imperative to our growth. Currently, we have areas in our building that need attention such as sealing the roof to prevent leaks, encasing windows to improve warmth and safety, repaving the parking lot for safe and accessible entry, and sustaining the vital programs that serve our community daily.

**You can give in the way that works best for you—annually, monthly, weekly, or by simply rounding up your debit card purchases throughout the month! Every gift, no matter the size, helps strengthen this place of hope.**
