Dinner AT THE CENTER

This is a great opportunity for churches to meet people in the local community, engage with them, serve them, and break bread together! It's a wonderful night of fellowship. If you would like more information about how to get involved in this outreach, please contact Sheila at 740-345-6026 or sheila@lookupcenter.org

WE NEED STEP PROGRAM MEALS FOR OUR NEXT SESSION, STARTING IN AUGUST!

Our STEP class is looking for meal sponsors for the upcoming session beginning August 24th, and the commitment is easy, just choose ONE Monday that works for you! Mondays (pick any one over those 15 weeks). Serve time is 12:00 PM, serving about 25 people! This is a simple but meaningful way to support students who are working toward skilled trades and a brighter future. You can cook the meal yourself, team up with friends, or sponsor a meal from a local restaurant. Want to sponsor a Monday meal? Call us at 740-345-6026!

How can you financially support the Look Up Center?

We invite you to prayerfully consider partnering with us through a financial gift. The Look Up Center is supported entirely by the generosity of individuals, churches, and community organizations, and that support makes it possible for us to continue growing and serving our neighbors.

As we look toward the future, there are several important projects that require attention, including repairing and sealing our roof, upgrading window enclosures to improve safety and energy efficiency, repaving our parking lot to ensure safe and accessible access, and sustaining the life-changing programs that impact our community every day.

Giving is simple and flexible. You can choose to contribute annually, monthly, weekly, or even by rounding up your everyday debit card purchases. No matter the amount, every donation plays a meaningful role in helping us provide hope, support, and opportunity to those we serve. Together, we can continue making a lasting difference in our community.
